## OUR STRENGTHS

### Design

We use state-of-the-art **software to design** and load calculations. We have designed more than **1000 wooden pallets, more than 500 wooden crates and more than 100 wooden wheels and other unique moving packaging**. We know the advantages and disadvantages of each package. We know what type of packaging works best for you. Not suitable for any format. Our mission is to produce packaging for our valued customers.
